

## COUNTY HOSPITAL PLAN CONSIDERED

Board of Supervisors Discuss Petition Asking That Proposition Be Put on Ballot.

CITY IS ALREADY PAYING TAX

This Can Be Discontinued on Referendum Vote—To Apportion Examiner For the Blind.

The petition, signed by residents of this city, asking that the proposition for the erection of a county tuberculosis hospital be submitted to the voters of the county at the next general election, was considered by the members of the board of supervisors at their session yesterday afternoon. After the reading of the petition, which contained considerably more than the 100 names required by law, supervisor S. R. Wright moved, and it was seconded by Supervisor J. E. Larkin, that the petition be granted. Supervisor C. L. Kerns urged that the matter be delayed, since it could not be put to a vote until November, 1916. Supervisor Larkin explained that it was mandatory for the board to put the proposition on the ballot, if the petition was in proper form, and declared that if this was done, it would give the voters of the county plenty of opportunity to become acquainted with the merits of the plan before it was put on the ballot.

### May Drop City Tax.

Supervisor M. D. Grinwald, who has made some study of the provisions of the new law which permits counties to erect sanatoriums, was called on, and said that the people of Rock Island were already paying a 1-mill tax for a city sanatorium, but that it was his opinion that the people, if the matter were properly presented, would be willing to take advantage of the enabling clause, which is a part of the new law, and which permits, upon recommendation of the directors of the city sanatorium, that the matter of discontinuing the tax be put up to a referendum vote, and if it carries, the money already collected can be turned over to any other fund. He suggested that it might be well for the chairman to appoint a committee to confer with the medical board here and see if an understanding could not be reached. Mr. Grinwald explained that under the new law the tax could not exceed 3 mills, which is to be levied by the board as the needs of the institution require.

The motion to grant the request was finally withdrawn and the petition was merely received and placed on file, as the board members desired further time to consider it.

### Blind Aid Discussed.

The matter of the appointment of an examiner for blind aid pensions, as provided under a recent law passed by the general assembly, was brought up. County Clerk Hubbard explained that he had received two applications for aid, John and Oliver Quinn, Cordova, who, under the law, after being recommended by the county examiner, must be paid the sum of \$150 annually. This is in cases where the applicants have lived three years in the county, and where their total income does not exceed \$250 a year. The matter was referred to the poor committee to consult with State's Attorney F. E. Thompson. Some of the members suggested that the county physicians could possibly act in the capacity of examiners.

The county clerk read a letter from Mrs. S. D. Webster, secretary of the Illinois State Association of County Home Superintendents and Matrons, asking that delegates be sent to the state convention to be held at Danville, Oct. 23 to 25. A communication was also read from J. T. Keenan, Cedar Rapids, secretary of the Northwestern Road congress, calling attention to the fact that the congress is to meet in that city Oct. 4 to 7, and asking that delegates be named. Both letters were received and placed on file.

### Give Society \$200.

The sum of \$200 was voted to the Rock Island Humane society, which is the same appropriation as made last year. Before the vote on Supervisor George Stroehle's motion to renew last year's pledge was taken, J. W. Parks, president of the association, briefly explained the work it is doing. According to the annual report of the county clerk, the sum of \$149 was paid out during the last year for wolf bounties.

The county clerk explained that the names of those eligible for petit jury service was about exhausted and asked authority, which was granted, to place the names of 750 persons, chosen a year ago, in the jury box. Names are chosen for jury service every two years, half of the number being deposited in 1914 and the rest this year.

The county clerk called attention to the fact that a grand jury for the January term of court is to be selected and a mine inspector and court house engineer, to be named at this session. Sheriff George H. Richmond explained that the cook at the jail had been getting her salary about every

four months and asked that the matter of the readjustment of his pay roll be referred to the fees and salary committee, so that she could be paid off. The request was granted.

### MATHEVILLE.

Mr. and Mrs. Fred Haddick went by auto to Rock Island Wednesday. Theodore James arrived here from Cuba Thursday and has started work at the Alden coal mine. Mr. and Mrs. Charles Lenbury were Aledo visitors Thursday. Mr. and Mrs. Henry Moffet, Mrs. Robert Wham and Miss Ethel Peterson went by auto to Moline Wednesday. On account of the heavy rain they had to return home on the in-

terurban and leave their car in Moline.

Charles Kuchan went to Centerville, Iowa, the first of the week to see Andrew Today, who recently underwent an operation. It will be remembered that Mr. Today was injured in the mine here several months ago.

Mr. and Mrs. Murt Connor and two daughters spent Tuesday in Coal Valley.

Mrs. Thomas Elliot and sister, Miss Edna Ranson of Rock Island, were visitors at the Art Rosen home the past week.

James Doucherty and John Little were Rock Island passengers Tuesday.

John Moline of Annawan was a visitor here the first of the week.

Several of the Matheville Bloomer girls went to New Windsor Friday

where they played ball with New Windsor against Shale City. The game was called off in the fourth inning on account of the rain, the score being 6-4 in favor of New Windsor.

Rev. Alfred Appel of Burlington, Iowa, was here on business Wednesday.

Ned Clark, Sr., died at his home here early Monday morning after a

lingering illness. He was 79 years of age. Surviving him are two sons, Tom and James and four daughters, Mrs. Mat Allison and Mrs. John Maurer of this place and Mrs. James Blaine of Gilchrist, the other daughter being in Oklahoma.

Mrs. Rose Angerer and Miss Sarah Vipond were Rock Island shoppers Thursday.

Jack McEvoy visited the latter part of the week at his home in Chillicothe.

Mrs. Thomas Logan and daughter visited in Annawan the past week.

William Tyler made a business trip to Galesburg Friday.

Mr. and Mrs. Herbert Snell and children visited over Sunday in Sherrard.

William Braden is in North Dakota where he went on a business trip.

Ed Bergreen was a Rock Island passenger Saturday.

James Engles spent Friday in Rock Island.

The Matheville team defeated Sherrard in a close game of ball here Sunday. The score being 4 to 2. Although Sherrard had several hired players they were not fast enough for the home team.

Mr. and Mrs. Gust Nelson of Cable were visitors here Sunday.

Miss Ruth Bergreen of Duluth, Minn., was a visitor here the past week.

Louis Sward is serving on the jury in Aledo this week.

Ed Burns was a Rock Island passenger Monday.

Mrs. Clyde Lawson was an Aledo shopper Monday.

## "Style All the While"

Fascinating—a word more apt in describing this season's Frocks, Gowns and Suits than any other word we could conjure up.

Fascinating innovations, maybe it's the turn of a sleeve, the trimming, the suggestion of a flare in the sleeve, the cut and hang of the skirt, something new and decidedly swagger about the waist—whatever it may be that you discover in these charming new things for Autumn wear, you'll be sure to say that those in evidence at the big store are fascinating.

Ideas and adaptations from New York's and yes, even from Paris, couturiers, are to be seen here in a generous array.

### Wooltex Suits and Coats

are much in evidence, and knowing as you do that Madame Jeanne Savarie had so much to do with the designing of these garments, you cannot help but feel a glow of desire when you see these Wooltex garments.

### Accessories

Include Hand Bags, Gloves, Corsets, Waists, Neck Pieces and Jewelry.

Shopping for these needed accessories to every woman's attractiveness, will be a task filled with fascination at this store.

### La France Shoes

The footwear for this season becomes a most important adjunct to milady's wardrobe because of the "briefness" (as to length) of the skirts.

Women who follow fashion through the several exclusive dress magazines know that the La France Shoes typify the last word in style.

### A True Tonic
